Summer camp for **Big Kids Club** will be located at the **Elementary Campus**. Summer enrolment is available for any students registered with us for the 2018-2019 school year in Grades 1-6 and Upper Elementary. This is a great transition for the students from ELC moving up to Grade one!

There will be a variety of activities daily as well as field trips or special visitors who will come to our school once a week, dates and more info TBA. The activities will be planned according to the interests of the children in attendance and free play, gym time, and outdoor play will be done as much as we can. In addition to the activities mentioned, each week the children will also have day trips to Shouldice Park, Bowness Park (using city transit), the library, the Early Learning Campus, etc. ZSpace lab will also be available during the summer and the children will be able to explore the different augmented reality activities (max 30 minutes/day).
