

Simplifying **Afternoon Student Pick Up** at the RVS Elementary Campus

Takes effect April 9, 2018

The Highlights:

- **ALL STUDENTS**, regardless of grade or division will now be picked up at the rear of the building.
- **NEW: SUPERVISED AFTER SCHOOL WALK-IN PICK UP AREA!** Located at the exit doors at the front of the building by the surgical centre.

In order to be **Good Neighbours** and to address traffic laws, RVS has adjusted the afternoon pick up route in the EC parking lot.

- All entry and exit from the parking lot will be from the **MARKED EAST** entrance (**NOT** in front of the Seniors Centre)
- Drive around the small traffic circle and head towards the rear of the school.
- Exit back through the staff parking lot.
- See the attached map for more information. Still have questions? Ask a staff member!

For a more relaxed experience, we encourage everyone to park in the neighbourhood and walk in!
